We invite you to be a part of the 2010

APRIL 24, 2010

*The "Official Chicken Cook-off"
for the State of Georgia*

Join us as we celebrate the Poultry Industry in Georgia at our 6th Annual "Spring Chicken Festival" on Saturday, April 24, 2010 in downtown Gainesville, GA.

This event has grown each year to become the wonderful event it is today. In 2009 we were recognized by the Georgia Senate as having the "Official Chicken Cook-off" for the state. Our cook teams are judged by professional and celebrity judges and cooked almost 3000 pounds of chicken donated by Mar-Jac, Fieldale, Columbia Farms and Wayne Farms in 2009.

Georgia Public Television's Georgia Traveler filmed last year's festival and will be aired in February and March of this year.

Stop by booth #5445 at the International Poultry Expo to learn more about Festival Events such as:

Chick Ekiden (relay race featuring rubber chickens as batons)

Quilt Show featuring award winning "poultry-themed" quilts

Children's Activities Area featuring crafts, safety vehicles, face painting, games and more.

Live Music including country, jazz, gospel and rock.
